

Fifteen Steps to Biological Security

- 1- activate mass callout plan - calls out to every family member to get everyone home ASAP
- 2- if still on the road and/or in public pull out gas mask, with bio-filter, from kit in back of truck/van start using
- 3- check in with SNS for status, keep radio tuned to KSL for local updates
- 4- upon arriving home start quarantine process by bringing everyone inside including the dog
(quarantine sign on front door)
- 5- start bio-inhouse filter
- 6- set up decontamination station in garage with drapes, shower, gloves, masks, and gowns
- 7- set up isolation rooms for possible sick family members and guests
- 8- start everyone on master immune system booster kit
- 9- check all electrical (solar, 12 volt, and battery) systems incase of loss of power
- 10- check water supplies, have everyone shower regularly (daily) until loss of water pressure
- 11- check on possibility of working from home
- 12- request over the phone for advanced homework assignments for school age children to be sent over the internet
- 13- check with CDC contacts for updates on problem
- 14- call CERT team, on the phone, for distribution of information sheets to neighbors upon confirmation of problem
- 15- prepare to pull out alternative heating/cooking/lighting/sanitation measures to be used
