

items needed to set up an isolation room or chamber

- 4 mil plastic 10' x 100' - Home Depot
- 5-6 wash basins
- 1-2 bedpans
- 1-2 urinals for men and 1-2 converters for women
- 20-30 chucks pads
- 1 large roll of duct tape - Home Depot
- 1 staple gun with extra staples - Home Depot
- 1 large box of staples
- 1 box of lawn bags minimum 30 gallons - Costco
- 2-3 sets of white linens for each bed
- 2-3 pillow cases per bed
- 1 box fan - Walmart
- 1 utility knife
- 9-10 gallons bleach
- 3-5 sponges
- 9-10 wash cloths
- 1 personal fan for the patient
- 1 bedside lamp
- Sanitary supplies for patient(s) like toothbrush and paste , soap, razor, etc..
- Depending on the type of pandemic (like #3)
- N-95 masks or gas masks with appropriate biological filter
- Nitrile gloves - lots
- 40-50 Tyvek suits - paint supply company

Dedicated furniture:

- Bed
- Night stand
- Chair
- 2 small tables
- Clothes hamper for linens

Don't put more things in the room that aren't absolutely necessary. The least amount of thing to clean or wash the better.
