Ingredients:
Whole Eggs, Yolk, Dried Egg Whites

Each #10 can contains **one 2.25 lb. bag** – equivalent to **96 Medium Eggs**

Use for scrambled eggs, omelets, or recipes for an extraordinary fresh egg flavor.

2 TBS Egg Crystals + 3 TBS Water = 1 Medium Egg

7-8 year shelf life if unopened and stored at temperatures of 70° F or below.

These crystalized eggs ramp up the level of dehydrated foods a notch, as they are gluten-free, lactose-free, dairy-free, all-natural, and contain no hormones, antibiotics, or artificial sweeteners! Plus, these Egg Crystals are USDA-approved and produced under continuous USDA inspection.

Note that egg crystals weigh less than dehydrated egg powder. When comparing prices, compare servings (number of eggs) rather than weight.

2 Quart Mixing Pitcher

Ideal for powdered milk, drink mixes, thin batters, and more.
 Just add the ingredients and pump the handle up and down.
 No lumps, no mess!
