This wheat is non-GMO and pesticide-free. The Church recommends storing 400 pounds of grain (wheat, flour, oats, rice, corn, etc.) per person for a year's supply.

Orders will be available for pickup approximately February 7 in the parking lot of the red brick church in Fairview.

We recommend you store the wheat in buckets to prevent rodents and insects from getting in. Store in a cool, dry place. Buckets should not sit directly on a cement floor. Put them on shelves, 2x4s, etc. to allow some air circulation. Wheat can be stored for 30 years or longer if properly stored.

Payment: Cash or check made out to Bonnie Sheffield.
