Aspiring August!

August 6 - Prep Squad Town Meeting - ALL are invited!

August 12 - EMP's - Are they real? What can they do? How do we protect ourselves?

August 19 - Harvesting and storing seeds - Cindy Bradley

August 26 - Discussing Disaster

BE SURE TO 'SAVE THE DATE'!

WOW! What a roller coaster ride of summer weather! I've never seen anything like it! July, with all its patriotic festivities has now also flown by and summer is more than half over! Kids are getting ready to go back to school and before long fall will be in the air.

So... we want to give you something to look forward to...

Yes, we are still planning to do the Sterling Fall Benefit Fair!! HOORAY!!! On **Saturday September 4th, the weekend of Labor Day**, we will be hosting the Benefit Fair we had planned to do over Memorial Weekend but were unable to due to unforeseen complications. But we're gearing up for September and some fall fun!

What can you do? Well, first of all **SAVE THE DATE!** Mark your calendars now and plan for a fair full of fun and food and fabulous entertainment. Next, we'd love your help! There's lots to do when planning a fair. Your help, skills, talents, connections and input will make it even better! Willing to help out? Call Shayne at 754.707.4774

SEPTEMBER IS SPECIAL!

September 2 - Prep Squad Town Meeting - ALL are invited, as always!

September 4 - PREPAREDNESS & SELF-RELIANCE MINI BENEFIT FAIR!
Sterling Town Park 10 am - 6 pm!

September 9 - Food Storage and Preservation - Cindy Bradley

September 16 - Critical Things you might be Forgetting Shayne/Dan

September 23 - Getting the Most Nutrition out of your Food Storage - Jenny Sullivan

September 30 - Goal Setting (why bother?)/One Word - Shayne

HOORAY FOR THE HARVEST!!

While we all seem to love the spring and summer months, especially after all of the freezing cold, you must admit that there is something special about the fall harvest! After working so hard during the summer to amend, till, plant, water, fertilize and grow your bountiful gardens, fall is the true test of your labors!

This month we are looking forward to spending some time learning about food preservation and storage, as well as getting the most nutrition out of those things you store. After enjoying the fun of the fair, it's time to settle down and get to the business of reaping the harvest and storing it up for the winter months ahead!

Please join us! We look forward to having you be a part of something amazing!
