SO MANY CHANGES... BUT IT'S ALL GOOD!

By definition, the word Autarky, as we spelled it in our group, means 'SELF-SUFFICIENCY, INDEPENDENCE'. The word Autarchy, spelled with a 'ch' as opposed to a 'k', means something very different. Merriam-Webster defines it as absolute sovereignty : AUTOCRACY. Which in turn means a 'government in which one person possesses unlimited power'. The two are pretty much complete opposites. The term autocratic, as used in association with autocracy or autarchy with a 'ch' was used recently in political speeches. To avoid confusion with our group, it was decided and voted upon to change the name of our preparedness and self-reliance group to Project Prepare. So let it be written...so let it be done.

WE'VE MOVED THE DATE OF THE FAIR!!

Putting on a fair takes a lot of work and a lot of manpower in order to be great. We had hoped to have some additional hands to help with the fair but that has not happened yet. However, we are still motivated! While it seemed like a good plan to draw on the crowds from the Scandinavian Festival - and it is - it's also a weekend teaming with other activities and commitments. As such we have decided to postpone the Preparedness and Self-Reliance Fair now shooting for Saturday September 4, and draw on the crowds that will be enjoying Labor Day weekend. So look for more info coming and MARK YOUR CALENDARS NOW!! In the meantime, we're still planning something SUPER FUN! A Benefit Yard Sale & Silent Auction with Jim Phillips signing autographs! DON'T MISS IT!! May 29, 2021 from 8 - 4.
